Hey [Name],

Hey there musician/artist/thought leader

Hello [Name]

### **[Body Copy]**

Hi **NAME,**

There is no better time than NOW to get clear on the VISION you have for your life and your music, and learn how to eliminate distractions so you can create your best year yet.

Here's what I want you to know: It IS possible when you understand how to Be UNSTOPPABLE in your music and focus on one area of GROWTH this year.

This is why I'm inviting you to watch The ARTISTS! BE UNSTOPPABLE 3-day live show with me.

The ARTISTS! BE UNSTOPPABLE show is led by the inspirational Patricia Daly, a confidence coach for musicians, and founder of the build your creative confidence movement for artists, musicians, thought leaders and speakers.

When Patricia invited me to this event to step on the virtual stage and teach what I know works, I jumped at the opportunity because her vision for the audience is practical and impactful -- the type of focus you'd expect from a confidence coach for musicians who knows how to get you results.

What you can expect from attending the ARTIST'S BE UNSTOPPABLE 3-day show is that:

1. You get to connect at a deeper soul level and unleash your highest potential.
2. You decide where you want to be at the end of this year; the progress you'd like to see mentally physically and emotionally
3. From the guest's expert trainings you get motivated and a feel for what your next best step is
4. Based on that clarity, you choose ONE of those areas to focus on this year
5. You take action and watch your breakthroughs

This free training is for the Artist, Musician, Speaker or Creative Thought Leader who feels like they're never going to be good enough, or worthy or confident to use their gifts and their impact while loving their life.

Or perhaps you're working hard and have lost out on time with your family or even your own self care... **NOW is the time to learn how to trim the fat in your day so you can FOCUS on what's important and build the systems and plans to overcome fear of not feeling good enough or worthy... so that with UNSTOPPABLE CONFIDENCE you play full out before audiences and live the life you desire.**

And if you find yourself with what I call "not enough-ness" energy— not enough time, not enough money, not enough sleep, etc, *you'll want to learn from these expert speakers the habits, processes and tools that will shift your mindset to open the secret door to success.*

This is about YOUR bigger future...your BEST year ever...the one that brings you joy, builds you confidence, gives you energy, and makes a huge difference for the people that you serve.

For three days starting January 16th 2023, we will train you LIVE for five hours a day on how to conquer fear of not being good enough so you increase confidence and show up for yourself and others as THE UNSTOPPABLE ARTIST that audiences love.
